UiO : University of Oslo

ACADEMIC DUGNAD

Low-hanging fruits:

Making knowledge available
Institutional webpages for refugees
Refugee guide to higher education
Developing internship opportunities
OLS courses for refugees
Making use of the refugees' competencies
Creating networking groups
EUA Refugees Welcome Map
Mapping and building networks
Using existing structures and programmes

UiO : University of Oslo

MAIN CHALLENGES

- Admission requirements
- Funding
- Bridging and transfer of credits
- Languages

The Bologna Process…

UiO : University of Oslo

How students and researchers with a refugee background can support national and European policies in European Higher Education
