**for Afghan Women**

By ASRAR AHMAD

KABUL, Afghanistan (UPI) — When an Afghan greets a woman, he always uses the Persian words for "my sister."

Afghanistan is one of those places where women are not conscious of their physical appearance. They have nothing to

have started attending schools and colleges. Even daughters of ruling families can be seen going to colleges in public buses unaccompanied by chaperons.

The man chiefly responsible for bringing about the emancipation of the Afghan woman is President Sardar Mohammad Daoud who can

**Making Great Gains**

Removal of the veil "has opened a whole new life for the women of Afghanistan," Mary C. Walker, American educator from Kabul, Afghanistan, said here today.

Removal of the veils, removed last August by government decree, has increased the freedom of the women of that country "but it also has increased their responsibility."

Asia foundation in Tokyo, which she spent two years in administrative work. Korea as acting representative for the foundation and the American in the office. spent a year in Pakistan before going to her present assignment.

Miss Walker has both bachelor's and master's degrees from Mills college, where formerly was registrar and director of placement and personnel.

Miss Walker previously visited in Spokane many times with late uncle and aunt. M

# TABASOM REVOLUTION

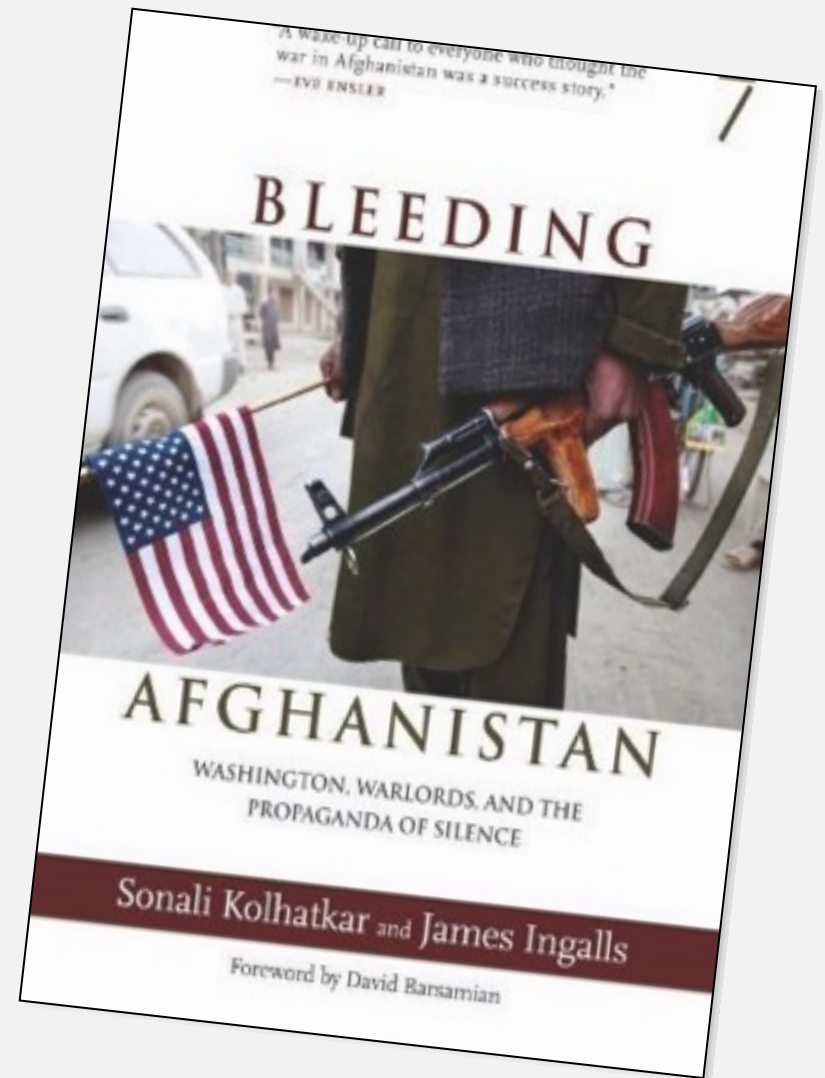

But at the very least, it is my hope that Americans learn that the ultimate solution does not involve the U.S. armed forces. It will take many decades of nation-building and religion-building in the Middle East before enlightened, secular forces manage to eclipse the benighted forces of political Islam-

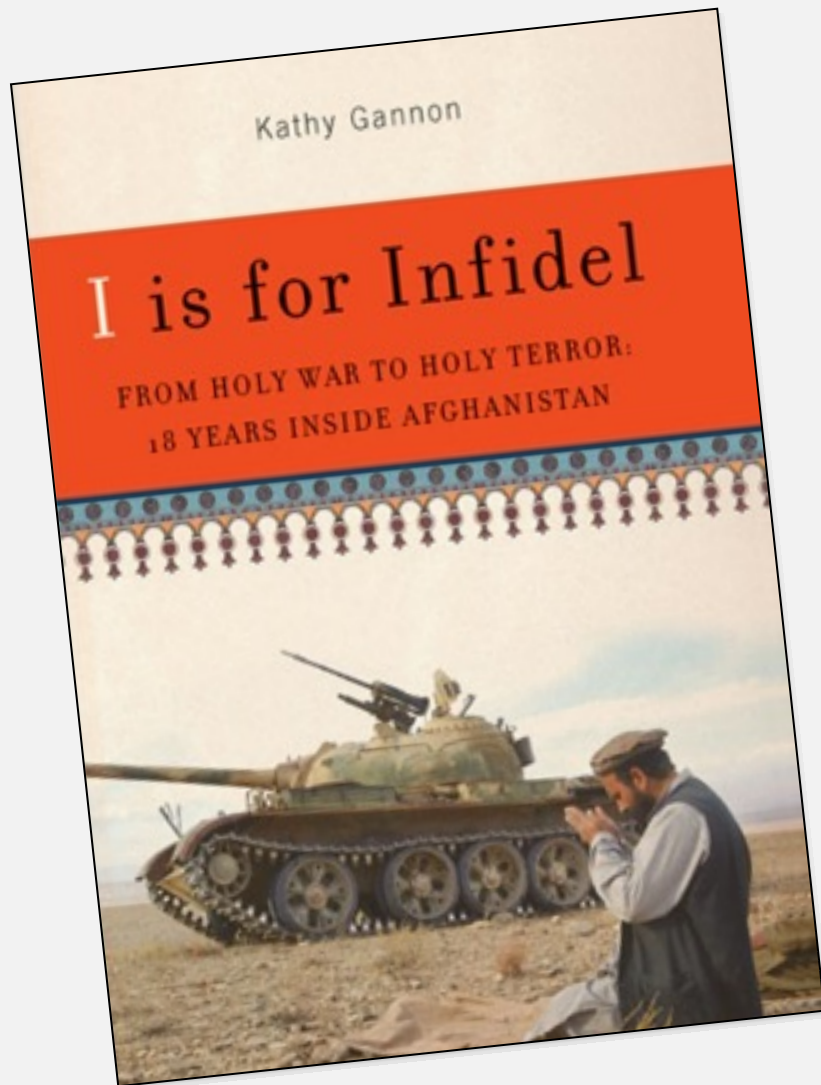

Robert Dreyfuss

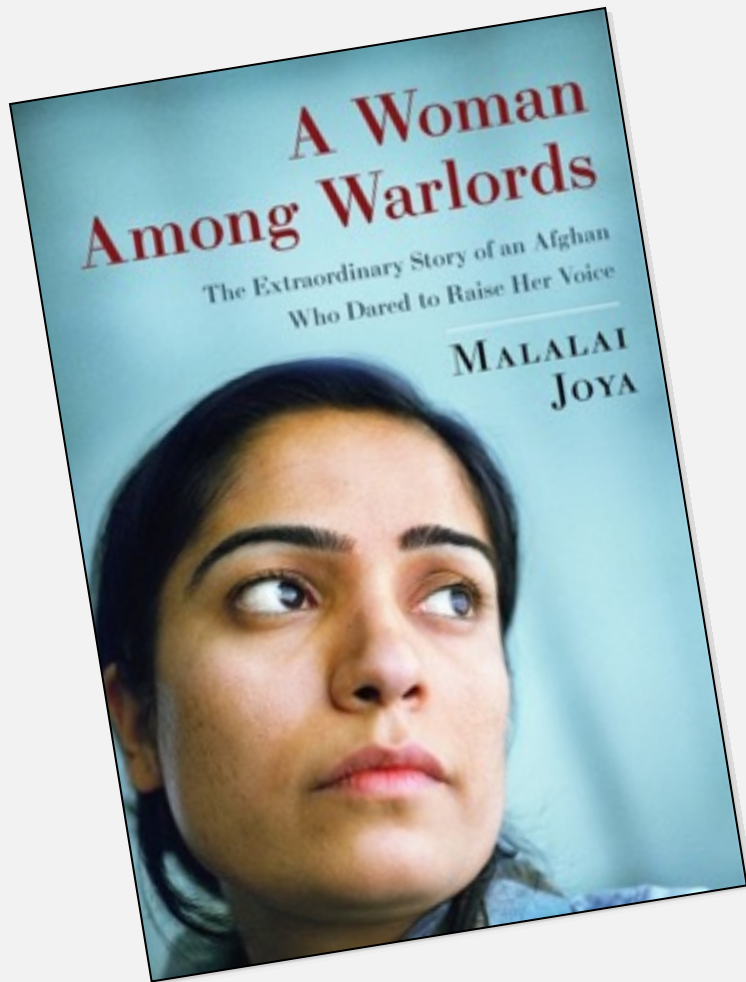

“Bleeding Afghanistan” is without a doubt the most realistic and sincere reflection of the ongoing tragedy in Afghanistan, covering every aspect of life under the US domination and its fundamentalist criminals and warlord hirelings.

“I is for Infidel” will transform readers' understanding of Afghanistan, and inspire awe at the resilience of its people in the face of the monstrous warmongers we have to some extent created there.

No nation can donate liberation to another nation. These values must be fought for and won by the people themselves. They can only grow and flourish when they are planted by the people in their own soil and watered by their own blood and tears.
