

Draft inHERE staff training participants' message to policy makers and university leadership in Europe

BASED APPROACH
TO REFINANCING
RESEARCH
2012
CONCLUDE

more funding for the
universities (for refugees)
streamlining the process
of funding

Commission
on the role
of diploma

with refugees at the
center and higher education
as an empowering role,
with a focus on medicine

mission (namely social
responsibility),
institutionalized and
sustainable structures
as well as commitment
and involvement by the
university community
and policy-makers.

reflection on
strategy

IT'S A PRIVILEGE TO BE INCLUSIVE
THEIR POTENTIAL IS ALL OUR GAIN
COMMIT & COORDINATE

Inclusive Europe
today

⇒ Powerful Europe
tomorrow

TO ENCOURAGE ARMONIZATION
OF PROCEDURES AND
EUROPEAN NETWORKS
TO ENSURE :

- ACCESS TO THE KNOWLEDGE
OF NATIONAL LANGUAGES
- ECONOMIC SUPPORT TO
SUSTAINABLE INITIATIVES
(MORE THAN SHORT TERM
PROJECTS AND PROGRAMS)
- TO PROVIDE THEM GOOD
LIFE CONDITIONS

Forced and voluntary
migration are not
short-term phenomena,
but are a characteristic
of our time. Against
this background, it
needs a long-term
strategy integrated into
the universities' third

mission (namely social
responsibility),
institutionalized and
sustainable structures
as well as commitment
and involvement by the
university community
and policy-makers.

PERMANENT FUNDING
INSTEAD OF DISTRIBUTING
THE FUND TO MANY
TEMPORARY PROJECTS
USE BEST PRACTICES

reflection on and
strategy to open
the system of
higher education
(anti-discriminatory opening)
of universities

With refugees at the
center and higher education
~~as a~~ ~~in~~ ~~an~~ ~~empowering~~ ~~role~~,
as in an empowering role,
develop a holistic
integration framework
from regulation, education,
human rights + human
dignity so they can
realize their full
potential.

1. more funding for the
universities (for refugees)
2. facilitating the process of
getting funds
